International Chinese-speaking Blending Conference

Those who need translation will need to download an app called “Listen Everywhere.” You can download the app to either an Android phone or an iPhone. After installing the app, saints will need to be inside the Ministry Conference Center in order to connect with the server. When inside the room, connect to the Wi-fi network “Translation” and type in the password: “Translation.” Open the Listen Everywhere app and then select the desired language. Saints should bring their own headphones or earbuds and may also want to bring an external battery pack if they will need to charge their phone. Those who need translation may also bring their own FM radio, headset, and extra batteries.
- 3. Lodging & transportation:** Hospitality will not be provided for those attending the conference. Saints should make their own arrangements for lodging and transportation during the conference.
- 4. Young People:** Childcare will not be provided at the Ministry Conference Center by Living Stream Ministry. Young people under the age of 18 should be accompanied by a parent or guardian at all times during the conference. In addition to the live webcast of the in-person meetings, LSM will stream the messages, time zone after time zone, across the globe at **conf.lsmwebcast.com**. This will be done according to two different schedules, schedule 2 below for US churches and schedule 3 below for the rest of the world.

The published meeting times for the live webcast on February 17-19, 2023 are Pacific Standard Time (PST) only.

The published meeting times for February 18-19 and February 24-26, 2023 are for your time zone, not for Anaheim, CA, USA (unless you are in the same time zone as Anaheim). LSM will stream the message meetings, time zone after time zone, across the globe. Thus, the saints in your locality do not have to figure out what time each message will begin based on your time difference from Anaheim. Below are two examples, which will hopefully make this fully clear:

Example 1: You are in Malaysia (MYT, UTC +8). All meeting times will begin as shown above in schedule 3 above *in your time zone*. Thus, the first message meeting will begin streaming at **7:30 PM (19:30) MYT on Friday, February 24, 2023**; the second message meeting will begin streaming at **9:00 AM (09:00) MYT on Saturday, February 25, 2023**; and subsequent messages will begin streaming according to the schedule for churches outside of the U.S. (above).

Example 2: You are in New York City (EST, UTC -5). All meetings times will begin as shown in schedule 2 above *in your time zone*. Thus, the first message meeting will begin streaming at **9:00 AM (09:00) EST on Saturday, February 18, 2023**; the second message meeting will begin streaming at **11:00 AM (11:00) EST on Saturday, February 18, 2023**; and subsequent messages will begin streaming according to the schedule for U.S. churches (above).

To know exactly when the meetings in your time zone will be streamed, you can simply replace 'MYT' with your own time zone in Example 1 if you live outside the U.S., or replace 'EST' with your own time zone in Example 2 if you live in the U.S. By streaming the meetings by time zones we hope that the messages of this conference will be received by many, many more saints than what would be possible in live meetings in one location.

- 2. Viewing the messages:** The website for streaming the live conference messages on February 17-19, 2023 is **live.lsmwebcast.com**. This site does not require an account and will be accessible to download the conference outlines, beginning Friday, February 10th, 2023.

The website for streaming the conference messages on February 18-19 and February 24-26, 2023 is **conf.lsmwebcast.com**. This site does not require an account and will be accessible to all the saints and churches to download the conference outlines and run a test video on their devices, beginning Friday, February 10th, 2023. The site will interactively guide each saint to the correct language.

The messages will be streamed promptly in each time zone according to your schedule (listed above). Hence, if someone goes to the site late and opens the video stream, they will be joining the meeting in progress. For example, if someone joins the Saturday morning meeting at 09:20 AM (09:20) in his or her time zone, the stream will commence 20 minutes into the meeting, not from the beginning. Therefore, we will need to be on time for all the meetings just as we would in a live conference.

While we encourage all the saints in the churches to watch the conference messages at the same time as the other localities in their time zone, we understand that some may not be able to do so. Thus, once the meeting ends, the message will be available on the "Archives" page of the conference site (**conf.lsmwebcast.com**). This will afford the way for more saints to receive the riches within the same few days of the conference.

- 3. Online Prophesying:** After each ministry message we encourage all the saints to join an online prophesying session in their time zone, which we hope will promote the blending among the churches. We encourage the responsible ones in the churches to arrange prophesying sessions for their localities. Smaller churches are encouraged to combine for prophesying. LSM will not provide any online prophesying groups or facilitate the arrangement of prophesying groups.
- 4. Translation:** Messages will be streamed in English, Chinese, Spanish, Korean, and Portuguese. Some additional languages may also be included.
- 5. Hymns:** Hymns will be listed on the live webcast site, live.lsmwebcast.com, before the start of each live message and will be included with the archived messages on conf.lsmwebcast.com when the messages become available. The text of the hymns will not be displayed on the screen prior to start of the messages. Churches participating in the conference should plan to include time for singing hymns prior to starting the message.
- 6. Message availability:** The conference website (**conf.lsmwebcast.com**) will be deactivated on Lord's Day, February 19, 2023 at 11:59 PM (23:59) in your time zone for those in the U.S, and Lord's Day, February 26, 2023 at 11:59 PM (23:59) in your time zone for the rest of the world. Thereafter, all conference messages will be available for purchase at **www.lsmwebcast.com**.

We are praying that the Lord will continue to open this channel for the release of His Word through this ministry. To that end, we hope that all the churches and all the saints will prepare for this upcoming time of ministry and sanctify these days for the hearing of faith among us everywhere. Please pray for His blessing upon this conference. May it turn out to be a real memorial among us to the shame of God's enemy and to the glory of God's grace!

In Christ,

Living Stream Ministry
